FRED OWENS, Owner. C. F. Smith, auctioneer, with the D. A. Perry Real Estate Ageincy, Barre, Vt.

Use TIZ-

Sore Feet, Tender Feet and Swollen Feet Cured Every Time-TIZ Makes Sore Feet Well, No Matter What Ails Them.

Everyone who is troubled with sore, or tender feet-swollen feet-Trains leave Barre for Weils River, connecting at that point with trains going both north and south, at 7.90 a.m., 12.26 and 2.45 p. co. The 12.26 train connects with train for Boston, and north for Lisbon, Littleton, Fabyans and Lancaster, also with Montreal express, and the 7.20 and 2.45 trains with St. Johnsbury trains.

Trains leave Barre for Montpolier at 7.20, 19.35 a.m., 12.25, 2.46, 4.10 and 5.20 p. m. smelly feet, corns, callouses or bunions can quickly make their feet well now. Here is instant relief and a lasting, permanent remedy—it's called TIZ. TIZ makes sore feet well and swollen teet are quickly reduced to their natural Thousands of ladies have been able

to wear shoes a full size smaller with erfect comfort. out all the poisonous exudations which cause sore feet. Powders and other remedies merely clog up the pores. TIZ cleanses them out and keeps them clean. t works right off. You will feel better the very first time it's used. Use it a week and you can forget you ever had sore feet. There is nothing on earth that can compare with it. TIZ is for sale at all druggists, 25 cents per box, or direct if you wish from Walter Lu ther Dodge & Co., Chicago, Ill.

NEW TOPOGRAPHIC MAP.

States Geological Survey and States.

The United States geological survey THE HOME PLACE, consisting of about has placed on sale the completed topotwelve acres in a good state of cultivation, with two-story dwelling suitable for two tenants, with barn attached, large enough to tie ten head of cows, is on the scale of 162,500, which is approximately a mile to the inch. The carriage house, hen house for 100 hens, Fine three-year-old unbroken Morgan every valley, hill, and slope in the area road and nearly 45 years in the employ surveyed. The map covers an area of of the road. Mr. Church's resignation colt, sired by the Cheney horse, Elkhart bicycle buggy, good as new, driving harness, United States Separator, good 228 square miles and the cost of the will take effect about July 1, when he field work was greater than that of expects to retire from active business as new, mowing machine, grindstone, lawn mower, a quantity of small tools. any previous survey of the area. The life. topographic work was done by Fred Graff, jr., of the United States geologi-Household Furniture, consisting of kitchen range, parlor coal heater, wood cal survey, but the cost was borne jointstove, nice chamber set, a quantity of bedding, and many other articles too ly by the federal survey and the Ohio topographical survey, under the direcion of Prof. C. E. Sherman. The geological survey sells the map at only the cost of the paper and printing, 5 cents a copy, or \$3 a hundred. The antrim map is the latest of the 125 topographic sheets which have already been completed covering areas in Ohio. About 68 per cent. of the state has thus far been NUTROLE surveyed by the federal topographers and the maps have been engraved and printed by the survey.

There can hardly be a more striking ecognition of the excellence of the national government's topographic mapoing than the fact that the sums contributed by a number of the states for co-operative surveys now amount to \$200,000 a year, to be unreservedly expended by the United States geological survey in conjunction with the federal allotments.

The topographic maps, though designed primarily to afford a necessary base for the geological map of the United States which the geological survey is making, are coming more and nore into favor and use with engineers and many other classes of Showing every physical feature of the carth's surface—hills, valleys, slopes, streams, etc.-they form an ideal base for all engineering and construction work. Railroad companies and civil and constructing engineers buy tens of thousands of these maps every year Burlin from the government. Of late years the front. automobilist has also found them extremely useful, for in addition to indicating the easiest natural grades these maps show the roads and trails, with the elevations or altitudes at all points. In 1910 nearly 600,000 of these the United States geological survey.

The antrim or any other of the topographic maps can be purchased of the charge, index circulars showing what presence of the old soldiers. maps are on sale.

Origin of Artesian Water.

believed by many persons that artesian hall were enlivened by music by water is stored up in the depths of the band. Addresses of welcome ception of a few caverns of comparativesmall extent, such reservoirs bear to relation to open basins of the surface type, but are as a rule rock strata or masses in which the only openings are spaces between the grains or along lines solution, plans of jointing, cleavage, or bedding, or other fissures.

The probable source of underground war. The greatest of the Greeks saw waters has been widely discussed, and no evil in the institution. Aristotle is while every one would doubtless agree that by far the greater part is derived rom rainfall, there is considerable varistion of opinion as to the relative im portance of the other sources, such as sepage or absorption of water from the ocean, or the release of otherwise unavailable waters in the earth's crust which have been set free by physical or

hemical exclusion. Bulletin 319 of the United States geo logical survey, entitled "Summary of the Largest selling brand of 10e cigars in Controlling Factors of the Arteslan Flows," by Myron L. Fuller, discuss the subject of the theory and behavior of artesian wells. A copy may be obtained equally true of most of the other an-on application to the director of the survey at Washington.

About the State

After working all day Sunday a large gang of men which was leboring to remove the engine which left the rails at Lyndonville and plunged into a swamp succeeded in raising it only about six inches.

In one hour on the last day of May, E. P. Bartlett of Amherst, Mass., made a record catch of fish on the shore of the Big Averill lake at Averill, (a post-office in Norton), when he landed a one-pound salmon, one-half pound native trout, a 41/2 pound salmon, and an 111/2 pound salmon.

In the cemetery near P. G. Hills' in Fayston a plain white stone for 70 years has marked the resting place of Anna Fisk, aged 87 years a lady revolutionary times, born in Groton. one of the minute men, who, when called to the defense of Hoston, left his oxen yoked in the field, knowing that his sister would care for them. In her later years she was kindly cared for in the home of her children. Theophilus and Anna Fisk Bixby. Memorial day her grave was decorated by her

Rain is needed greatly in the southern part of the state and unless it omes soon in plenty, the hay crop will be largely decreased from what was cut last year. The plowed fields where seed It's the only foot remedy ever made has been put in are dry in many places which acts on the principle of drawing and it is feared they will be obliged to reseed, especially corn. The roads are in bad condition owing to the clouds of dust, caused by the large amount of automobile travel. The pastures show only a light growth of grass and dairy owners are beginning to give the cows extra feed. The grass on the low lands looks fairly well, except in winter killed places, which are quite numerous.

D. T. Church, the oldest conductor in the service of the Central Vermont railway, has tendered his resignation and will retire from service. Mr. Church Co-operative Surveying by the United on the line and recently has been on the Montreal and White River Junction run, going south on trains No. 8 and No. 4 and returning to Montreal in the evening on train No. 3, the New England States Limited. Mr. Church The map entered the service of the Central Vermont railway in 1866, and was promoted to the position of conductor in 1870 ontour lines, which are drawn at 20- thus having completed about 40 years foot intervals, show with exactness as a conductor in active service on the

one's mouth, and many are wondering what the word signifies, though no one has yet been found, who will deny that NEWBRO'S HERPICIDE does the work. Well, for the information of thousands of people who like to know all about a good thing, we would say that HERPICIDE means, a destroyer or killer of "Herpes," Now "Herpes" is the family name of a disease caused by various vegetable parasites. A similar microbe causes druff, itching scalp, and falling hair; this is the microbe that NEWBRO'S HERPI-CIDE promptly destroys; after which the hair grows. Sold by leading druggists, Send icc, in stamps for sample to The Herpicide Co., Detroit, Mich.
